

We have some great workshops for 2014 (scheduled on demand).

- **Rammed Earth Building Workshops - 2014**

the best person to teach rammed earth building of course is a professional rammed earth builder. Our rammed earth building workshops are run in conjunction with one of the Western Australia's masters in rammed earth building.

- **Eco-Design for the Owner-Builder (As seen in The Owner Builder magazine) **NEW!****

- **Architectural Model Making for Owner-Builders**

- **Owner-builders - Draw Your Own Plans for Council Approval - Small Buildings**

- **Google Sketchup Introduction**

Please see <http://www.rammedearthbuilder.com.au> to register your interest in any of our workshops.
